SUMMARY:

On October 19th, 2023, at 0249 hours, I self-dispatched to Night Moves, located at [REDACTED] on report of a possible abduction in-progress. The caller stated an employee's ex-boyfriend had taken the employee's child and that the babysitter was with them in [REDACTED]'s vehicle, along with the babysitter's boyfriend.

I made contact with [REDACTED] who told me that her on-again off-again boyfriend had taken her daughter (5 years old) and babysitter ([REDACTED] [REDACTED]) and [REDACTED]'s boyfriend ([REDACTED]) in a fit of anger. [REDACTED] had gotten to work and Richard "Ricky" White had called her during her shift to discuss her earnings for the night. [REDACTED] told Ricky that she could not talk about it right now due to her being in the dressing room and around other dancers. [REDACTED] said Ricky would not stop harassing her about how much she had earned and insisted she count her money. [REDACTED] said something to the effect of "dude I'm not arguing right now," so she hung up the phone and returned to work. This is when according to [REDACTED] Ricky started to act "all crazy" and called in on the Night Moves Club phone.

[REDACTED] initially had checked the security cameras which are placed in her 5 year old daughter's bedroom, and she saw that her daughter was asleep. Shortly after she received a front door motion alert and noticed that her daughter was not in her bedroom. [REDACTED] then started receiving texts from "Britts" who she knew to be Ricky. It was later discovered that Ricky had stolen [REDACTED]'s phone to contact Brittany.

The texts are as follows:

- "Man fuck u how I'm omw up there bitch don't be ready watch how I act a mf fool bitch"
- "U think u can do whatever and disrespect me well see"
- "U better be outside waiting ur kids here so don't play with me bitch"

10/19/23

- "U done disrespecting me bitch"
- "I'm omw"
- "And is advise not to say shit to anyone if a mf comes out saying anything to me or u not out side I'm gonna show I'm now I really get down"
- "Now I'm omw"
- "Then you wanna go dance and be a how for 5 hours and now tell me ur just now getting money yea okay bitch"
- "Bet we don't do this no more and im gonna teach u to respect me frfr"

Ricky sent several audio messages which in total transcribe to:

"Don't be outside and see what happens nigga. Call the police tell anybody anything and I swear to god nigga its gonna be all bad nigga Imma have this whole motherfucka house surrounded nigga and I'll hold everybody hostage in this bitch nigga play with me if you want to shorty better have your bitch ass outside nigga I aint playing with you either"

Ricky then attempts to call several times, which [REDACTED] lets ring to voicemail but responds "My work is going to call the cops if you come on the property what the fuck are you dping." Ricky then replies with an audio message telling [REDACTED] he is taking her 5 year old daughter and follows up with "see what happens" and texts "okay I got your kid in the whip stupid call if u want to". Ricky then sends a video message with the 5 year old daughter in the back of a vehicle with [REDACTED] with him recording from the front seat saying "tell her we're on our way baby, answer the phone. Ay pick the phone up man" Ricky continues to attempt to contact [REDACTED] in an effort to get her to answer the phone, which [REDACTED] replies "get my daughter back to my house." Ricky still continues to attempt to have [REDACTED] call him via texts and audio messages and demands she not call the cops or else. Ricky mentions talking to a male employee at the club and states once again he is on his way to pick her up, but then he states in a text message "if u don't pick up rn I swear to God nigga I'm leaving with your kid [REDACTED]." the next message is a video recording with her daughter in center frame and Ricky demanding her daughter tell [REDACTED] to answer the phone, and having [REDACTED] relay the conversation with the male club employee. Immediately after the video Ricky texts "U don't want me taking the cops on a high speed chase with ur kid do u I'm trying to be grown about it and frfr talk to u." Ricky then continues to text [REDACTED] with no response, as Officers had arrived on scene.

Ricky continued to threaten and harass [REDACTED] via [REDACTED]'s phone, which he called (in my presence) and demanded that she not call the police. However efforts already underway to locate and arrest Ricky, as Officers with the Bloomington Police Department and Deputies with the Monroe County Sheriffs Office were canvassing the area where the vehicle was located on foot and by drones. Ricky stated on speaker phone with [REDACTED] that he could see officers in the area and was attempting to move in such a manner to evade them.

Officers were able to locate Ricky after approximately 45 minutes and transported him to the Bloomington Police Department for further questioning. I then spoke with [REDACTED], who told me that all of Ricky's threats had placed her in fear (10 out of 10) because she believed he would harm her.

Officers conducted a traffic stop on Brittany's 2016 gray Dodge Durango, bearing Indiana commemorative plate [REDACTED]. Officers located her 5 year old daughter, [REDACTED] and [REDACTED] whose welfare appeared to be fine. [REDACTED] informed officers Ricky used [REDACTED]'s apartment key to come into the apartment at approximately 0245 hours. [REDACTED] stated that Ricky told her to hurry up and get the baby, wrap a blanket around her, and get in the car. [REDACTED] stated

Ricky told her that they had to go pick up [REDACTED] from work because there was an emergency. [REDACTED] stated that she grabbed the daughter and proceeded to get into the car with Ricky as they thought there was an emergency. [REDACTED] stated that when they got in the vehicle, Ricky told the daughter that Brittany wanted them (Ricky, [REDACTED], and [REDACTED] to bring the daughter to come get Brittany from work.

[REDACTED] told officers that she felt that Ricky had indirectly threatened them due to Ricky's text messages to [REDACTED] that stated if she didn't pick up the phone, everyone in the car would end up getting hurt. [REDACTED] stated she was in fear, not only from these messages, but also from how erratic Ricky was acting. This is when [REDACTED] informed officers that she had not given Ricky her phone, but Ricky had taken her phone. When asked when during the incident that Ricky took her phone, [REDACTED] stated he initially had grabbed it off the counter as soon as he came in the apartment and "He made me keep calling her whenever we were in the car, and he kept taking it back and calling her... He had it almost the whole time." When asked if she ever asked for the phone back, [REDACTED] stated she did ask for it back several times, but Ricky told her to hold on. [REDACTED] stated that Ricky had driven down the street and stopped at an apartment complex and that was when he recorded videos and sent the videos to [REDACTED]. This is when [REDACTED] knew they were not going to pick up [REDACTED] and something wasn't right, but [REDACTED] stated that Ricky never made any verbal threats towards her, [REDACTED] or her daughter.

[REDACTED]'s statement aligned with [REDACTED]'s story that she had provided Officer Wells, also [REDACTED] stated that when Ricky came into the apartment, [REDACTED] and [REDACTED] were asleep and were woken up as Ricky came inside. Additionally [REDACTED] informed officers that Ricky was getting out of the vehicle, took [REDACTED]'s phone, and demanded [REDACTED]'s jacket. [REDACTED] stated he gave Ricky his jacket in an attempt to avoid any further incident.

I made contact with Ricky at the Bloomington Police Department where I filled out a Bloomington Police Department Legal Rights advice form and read it to Ricky verbatim. Ricky acknowledged his rights and agreed to speak with me. Ricky told me that he has been staying with [REDACTED], his girlfriend of 4 months, due to him being wanted in a different county. Ricky told me that he had been smoking marijuana earlier and afterwards he had texted [REDACTED] to see how work was going to see if she could potentially leave to return home to him and her 5 year old daughter. Ricky told me he was communicating with [REDACTED] via [REDACTED]'s phone, which he claimed [REDACTED] gave to him. Ricky stated his preference was, that since he felt the club was slow, [REDACTED] should return home. Ricky stated he had to bring everybody for his plan to work as he could not enter the establishment, due to Night Moves policy of not allowing boyfriends in the club. Ricky told me that everyone went willingly and he never made claims of an "emergency." I asked him about the texts specifically about him threatening to get into a pursuit, which he stated he was just upset and says things when he's angry. Ricky stated he left the vehicle, taking [REDACTED]'s cellphone, and noticed officers arriving in the area. Ricky then admitted to me that he was originally fleeing from uniformed officers because his warrant. As more officers arrived in the area, he then continued to flee but once officers located him he then complied.

Richard White was transported to the Monroe County Jail to be remanded on the charges of Kidnapping (Level 5 Felony) and Kidnapping (Level 6 Felony) due to the fact he knowingly and intentionally defrauded and/or misled [REDACTED] and [REDACTED] (and the 5 year old) into believing that [REDACTED] was having an emergency to entice them into the vehicle, to execute his plan of getting
